Back to School!

Even though it’s online, school is back in session! Don’t forget to get up and stretch, play outside and exercise throughout the day. Getting your body moving is important!

Wash your paws!

Dollar Dog wants all of his friends to know the importance of washing your paws and hands today and every day! Remember to scrub for at least 20 seconds. Need to know how long 20 seconds is? Just sing the “Happy Birthday” song twice!

Hi Friends!

Stay cool this summer by opening a Dollar Dog Kids Club® Savings Account where you earn a Dollar Dog Coin for each deposit over $5. Save up your coins and purchase some of my great toys!

Ask your parents to speak to one of our team members for more information!
