Want to build your credit? Improve your credit score?

FAST's Shared Secured credit card is your answer. You get a credit limit matching a security deposit we hold in your savings account. Unlike a prepaid card, this card's history will show on your credit report, allowing you to build your credit.

[View Our Rates](#)

**\*APR = Annual Percentage Rate. Valid on purchases made 10/15/2021 to 12/31/2021. Purchases made after 12/31/2021 will be at your previous APR (11.90% - 15.90%).**
